IZee Placements

For every student the stress point is Placements, a huge factor in a student's life after they have put in their heart & soul to complete their choice of program with flying colors and a matching personality.

What we don't realize these days is that there is a huge difference between Unemployment & Unemployable. The fact is that the latter leads to the former. Therefore it is very important to study the job market and industry expectations to ensure successful placements

In spite of numerous opportunities for fresh graduates, we have understood that Skill Sets are the distinguishable factors separating them from the crowd. Hence, our integrated placement activities:

Our in-house recruitment partners

IZee Manpower & XploreJobs, we have always been alert and proactive in sensing the ever changing market requirements and grooming our students accordingly to make them market ready.
